

Nederland Community Center Foundation Board
Special meeting Friday, July 11, 2008, 10 am at the New Moon Café.

Present: Sumaya Abu-Haidar (Chair), Kristen Edwards, Dale Porter

Board members reviewed notes about the history of CC renovations for a proposed narrative to accompany their first “annual report” due in late September. The report, to be drafted by Sumaya, will also highlight positive developments at the CC during this year. The group discussed ways to publish the report widely in the community, including placement of the one-page, back-to-back report at various locations.

The group then discussed a proposed open house at the CC in late September to acquaint the community with its facilities and services. Among suggestions were donated items and Fitness Center coupons for auction; live music; children’s activities; and guides (printed or live) to answer questions about various rooms and their uses.
